A DOCUMENTARY ON PAST DOPING USERS

This document is your guide to the NODOPE Documentary Series, an initiative created to explore the complex realities of doping in sports. Through the powerful stories of world-renowned athletes, the series reveals the personal struggles, ethical dilemmas, and far-reaching consequences of doping—not just for individuals but for the integrity of sports itself.

Each episode tells the journey of an athlete, highlighting their triumphs, controversies, and lessons that resonate far beyond the playing field. These stories aim to inspire athletes, coaches, and sports enthusiasts to embrace fairness, resilience, and integrity—the true pillars of success.
